Opportunities to help the Giving Circle

100+WWC Nominated Nonprofit Organizations

Many of our nominated nonprofits have opportunities to get hands on and volunteer. If you know of an opportunity for our members to volunteer we recommend the following to help amplify the voice of these nonprofit organizations and connect with other 100+WWC members:

1. Post the opportunity on [Volunteer Connections](#) which seeks to connect those who would like to offer their time voluntarily to Door County nonprofit organizations. In addition to the volunteer opportunity being posted on [Volunteer Connections](#), it will also be highlighted on United Way's facebook page.
2. Post the opportunity to the 100+WWC private Facebook group to broaden your reach. Maybe see if another member would like to volunteer with you. **This is a great way to get to know other 100+WWC members!**

Door County Nonprofit Organizations

There are many nonprofit organizations that have not been nominated for the 100+WWC "Hat"...yet! If you would like to spread awareness for a Door County nonprofit organization, please consider nominating them for our HAT. [Nominate A Nonprofit](#)

To find ways to volunteer with these organizations, please check out their websites and also look at [Volunteer Connections](#) to see postings of volunteer opportunities throughout the county.
